NOTICE TO BIDDERS
Addendum VIII
October 24, 2019

Request for Time Extension:

A one-week time extension will be granted for proposals to be submitted. Proposals will now be due on Thursday, November 7th, 2019 on or before 4:00 pm AST.

Request for Owner to provide an allowance or equitable adjustments:

The Authority will take into consideration allowing an equitable adjustment to bidders that cannot place its technology into the existing engine hall. This will only be applicable for the LCOE "Levelized Cost of Energy Calculation". All other sections of the evaluation criteria will remain unchanged.
