## **1.0 INTRODUCTION**

The Virgin Islands Housing Finance Authority (“VIHFA”) is soliciting qualifications from qualified and licensed firms or individuals to provide Moving Services for VIHFA’s CDBG-DR program.

### **1.1 CONTEXT**

Hurricanes Irma and Maria had a devastating impact on the United States Virgin Islands (U.S. Virgin Islands or “the Territory”). The two back-to-back Category 5 storms in September 2017 caused significant damage and destruction to the islands’ housing stock. The entire population—over 100,000 residents—was impacted by the devastation brought on by the storms, with winds of over 185 miles per hour and up to 20 inches of rain in some areas. The Insurance policy shall name the VIHFA as an “Additional Insured”. The successful respondent must provide a copy of the Liability Insurance.
- C. Worker's Compensation** - The successful respondent will be required to provide proof of Worker's Compensation.

Failure to provide the required documents within the stated time period may result in the proposals deemed non-responsive and may be immediately disqualified with no further consideration given for potential awarding of the contract.

## **21.0 SELECTION PROCESS**

VIHFA will evaluate all Proposals that are received in a proper and timely manner to determine whether they meet the submission requirements. Awards are made to the most responsive bidder(s) that provides the proposal that is most advantageous to VIHFA, considering such factors as the Bidder's ability to perform the work of the kind involved in the bid under consideration, the Bidders' past experience, time of delivery, etc.

VIHFA, at its sole discretion, will determine which Proposal best satisfies its requirements and qualifications. All Proposals deemed to be responsive to the requirements of this RFQ will be evaluated and scored. Proposals that are materially deficient in meeting the submission requirements of this RFQ or have omitted material documents may be eliminated from consideration at the sole discretion of VIHFA. The evaluation process will include a technical evaluation and will be conducted as set forth herein.

Through an evaluation panel, VIHFA will establish a shortlist, either through a natural break in scores or a technically viable cut off technical score. Depending on the number of respondents, VIHFA reserves the right to deviate from this approach. The Evaluation Committee Panel is responsible for evaluating all responsive Respondents' submittals. The Evaluation Committee Panel will consider the following criteria:

- Documentation: The Contractor is duly organized, validly existing, qualified and licensed to conduct business.
  - 15 Points
- Qualification: Shall be evaluated based on your firm's credentials.
  - 35 Points
- Moving Services Experience: The Contractor's proven success in Moving Services for similar size and scope projects.
  - 25 Points
- Proposal: Shall be evaluated based on your firm's approach to the outlined scope of work and overall management of projected deliverables, schedule delivery and overall impression.
  - 25 Points

VIHFA intends to create a pool of contractors for which this RFQ will be an open qualifications process, in that, qualifications will be accepted ongoing until program close-out or all work has been contracted out. VIHFA will review qualification submissions per the schedule above and qualification process detailed in this RFQ.

### **21.1 RIGHT TO REJECT BID PACKAGES**

VIHFA reserves the right to reject, without prejudice, any and all bids submitted in response to this solicitation. Further, Bids submitted in response to this solicitation become the property of VIHFA and VIHFA may use any idea or concept in a submitted bid, regardless of whether that bid is selected for award.

### **21.2 CHANGES, ADDENDA, AND WITHDRAWALS**

VIHFA reserves the right to change the schedule of events or revise any part of the RFQ by issuing an addendum to the RFQ at any time. Addenda, if any, will be posted at <https://www.vihfa.gov/disaster-recovery/contracts>.

### **21.3 WITHDRAWAL OF PROPOSAL**

A Respondent may withdraw a proposal that has been submitted at any time up to the date and time the proposal is due. To withdraw a proposal, a written request signed by the authorized representative of the Respondent must be submitted to the RFQ Coordinator identified in the RFQ.

### **21.4 COST OF OFFEROR PREPARATION**

VIHFA shall not be liable for any costs incurred by respondents prior to issuance of or entering into a contract. Costs associated with developing the proposal, preparing for oral presentations, and any other expenses incurred by the Respondent in responding to this RFQ shall be entirely the responsibility of the Respondent and shall not be reimbursed in any manner by the VIHFA.

## ENCLOSURE DOCUMENT E

### Virgin Islands Housing Finance Authority

#### *CONFLICT OF INTEREST*

**By signing this form, the Respondent certifies that, to the best of its knowledge and belief, there are no relevant facts or circumstances that could give rise to an organizational or personal conflict of interest, for the organization or any of its staff, and that the Respondent, subcontractor, employee, or consultant has disclosed all such relevant information if such a conflict of interest appears to exist to a reasonable person with knowledge of the relevant facts (or if such a person would question the impartiality of the Respondent, subcontractor, employee, or consultant).**

Conflicts may arise in but not limited to the following situations:

- a. Unequal access to information. A potential respondent, subcontractor, employee, or consultant has access to non-public information through its performance on a government contract for disaster recovery services in the Virgin Islands.
  - b. Biased ground rules. A potential respondent, subcontractor, employee, or consultant has worked, in one government contract, or program, on the basic structure or ground rules of another government contract for disaster recovery services in the Virgin Islands.
  - c. Impaired objectivity. A potential respondent, subcontractor, employee, or consultant, or member of their immediate family (spouse, parent, or child) has financial or other interests that would impair, or give the appearance of impairing, impartial judgment in the evaluation of government programs, in offering advice or recommendations to the government, or in providing technical assistance or other services to recipients of Federal funds as part of its contractual responsibility.
- 1) Proposer must provide the disclosure described above on any actual or potential conflict of interest (or apparent conflict of interest) regardless of their opinion that such a conflict or potential conflict (or apparent conflict of interest) would not impair their objectivity.
  - 2) In a case in which an actual or potential conflict (or apparent conflict of interest) is disclosed, the VIHFA will take appropriate actions to eliminate or address the actual or potential conflict, including but not limited to mitigating or neutralizing the conflict, when appropriate, through such means as ensuring a balance of views, disclosure with the appropriate disclaimers, or by restricting or modifying the work to be performed to avoid or reduce the conflict. In this clause, the term “potential conflict” means reasonably foreseeable conflict of interest.
  - 3) The Respondent, subcontractor, employee, or consultant agrees that if “impaired objectivity”, or an actual or potential conflict of interest (or apparent conflict of interest) is discovered after the award is made, it will make a full disclosure in writing to the contracting officer. This disclosure shall include a description of actions that the Proponent has taken or proposes to take to avoid, mitigate, or neutralize the actual or potential conflict (or apparent conflict of interest).

The Respondent, \_\_\_\_\_, hereby certifies that, to the best of its knowledge and belief, there are no present or currently planned interests (financial, contractual, organizational, or otherwise) relating to the work to be performed under the contract or task order resulting from Request for Qualifications No. **RFQ 002-2020-DR-STT/STX** that would create any actual or potential conflict of interest (or apparent conflicts of interest) (including conflicts of interest for immediate family members: spouses, parents, children) that would impinge on its ability to render impartial, technically sound, and objective assistance or advice or result in it being given an unfair competitive advantage. In this clause, the term “potential conflict” means reasonably foreseeable conflict of interest. The Respondent further certifies that it has and will continue to exercise due diligence in identifying and removing or mitigating, to the VIHFA's satisfaction, such conflict of interest (or apparent conflict of interest).

8. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by HUD.

10. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The Contractor/Subcontractor shall comply with the provisions of Title VI of the Civil Rights Act of 1964. No person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

11. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

The Contractor/Subcontractor shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any

program or activity funded in whole or in part with funds made available under this title. Section 109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

12. SECTION 504 OF THE REHABILITATION ACT OF 1973

The Contractor/Subcontractor shall explain the actual or potential conflict in writing in sufficient detail so that the State is able to assess such actual or potential conflict. The Contractor/Subcontractor shall provide VIHFA any additional information necessary for VIHFA to fully assess and address such actual or potential conflict of interest. The Contractor/Subcontractor shall accept any reasonable conflict mitigation strategy employed by VIHFA, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor/Subcontractor shall solicit for and contract with such Contractor/subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

- (i) Placing unreasonable requirements on firms in order for them to qualify to do business,

- (ii) Requiring unnecessary experience and excessive bonding,
- (iii) Noncompetitive pricing practices between firms or between affiliated companies,
- (iv) Noncompetitive awards to consultants that are on retainer contracts,
- (v) Organizational conflicts of interest,
- (vi) Specifying only a *brand name* product instead of allowing *an equal* product to be offered and describing the performance of other relevant requirements of the procurement, and
- (vii) Any arbitrary action in the procurement process.

The Contractor/Subcontractor represents to VIHFA that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

The Contractor will include these HUD General Provisions in every subcontract issued by it so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

17. ASSIGNABILITY

The Contractor/Subcontractor shall not assign any interest in this contract and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of VIHFA.

18. INDEMNIFICATION

The Contractor/Subcontractor shall indemnify, defend, and hold harmless VIHFA and its agents and employees from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Contractor/Subcontractor in the performance of the services called for in this contract.

19. COPELAND “ANTI-KICKBACK” ACT (Applicable to all construction or repair contracts)

Salaries of personnel performing work under this contract shall be paid unconditionally and not less often than once a month without payroll deduction or rebate on any account except only such payroll deductions as are mandatory by law or permitted by the applicable regulations issued by the Secretary of Labor pursuant to the Copeland “Anti-Kickback Act” of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; Title 18 U.S.C. § 874; and Title 40 U.S.C. § 276c). The Contractor shall comply with all applicable “Anti-Kickback” regulations and shall insert appropriate provisions in all subcontracts covering work under this contract to ensure compliance by subcontractors with such regulations and shall be responsible for the submission of affidavits required of subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

20. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

(Applicable to construction contracts exceeding \$2,000 and contracts exceeding \$2,500 that involve the employment of mechanics or laborers)

The Contractor/Subcontractor shall comply with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-330) as supplemented by Department of Labor regulations (29 C.F.R. part 5).

All laborers and mechanics employed by contractors or subcontractors shall receive overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act, and the contractors and subcontractors shall comply with all regulations issued pursuant to that act and with other applicable Federal laws and regulations pertaining to labor standards.

21. DAVIS-BACON ACT

(Applicable to construction contracts exceeding \$2,000 when required by Federal program legislation)

The Contractor/Subcontractor shall comply with the Davis Bacon Act (40 U.S.C. §§ 276a to 276a-7) as supplemented by Department of Labor regulations (29 C.F.R. part 5).

All laborers and mechanics employed by contractors or subcontractors, including employees of other governments, on construction work assisted under this contract, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor/Subcontractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor/Subcontractor shall violate any of the covenants, agreements, or stipulations of this contract, VIHFA shall thereupon have the right to terminate this contract by giving written notice to the Contractor/Subcontractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor/Subcontractor under this contract shall, at the option of VIHFA, become VIHFA's property and the Contractor/Subcontractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor/Subcontractor shall not be relieved of liability to VIHFA for damages sustained by VIHFA by virtue of any breach of the contract by the Contractor/Subcontractor, and the VIHFA may withhold any payments to the Contractor/Subcontractor for the purpose of set-off until such time as the exact amount of damages due to the VIHFA from the Subcontractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

The VIHFA may terminate this contract at any time by giving at least 60 days' notice in writing to the Contractor/Subcontractor. If the contract is terminated by VIHFA as provided herein, the Contractor/Subcontractor will be paid for the time provided and expenses incurred up to the termination date.

24. SECTION 503 OF THE REHABILITATION ACT OF 1973 (Applicable to contracts exceeding \$10,000)

The Contractor/Subcontractor shall comply with section 503 of the Rehabilitation Act of 1973 (29 U.S.C. § 793), as amended, and any applicable regulations.

Equal Opportunity for Workers With Disabilities

**A.** The Contractor/Subcontractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor/Subcontractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals with disabilities without discrimination based on their physical or mental disability in all employment practices, including the following:

- i. Recruitment, advertising, and job application procedures;
- ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;
- iii. Rates of pay or any other form of compensation and changes in compensation;

Such notices shall state the rights of applicants and employees as well as the Contractor's/Subcontractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor/Subcontractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor/Subcontractor may have the notice read to a visually disabled individual or may lower the posted notice so that it might be read by a person in a wheelchair).

**E.** The Contractor/Subcontractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the

- G. In the event of the Contractor's/Subcontractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the Contractor/Subcontractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor/Subcontractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such contractor/subcontractor. The Contractor/Subcontractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor/Subcontractor may request the United States to enter into such litigation to protect the interests of the United States.

It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor/Subcontractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

**B.** The parties to this contract agree to comply with HUD’s regulations in 24 C.F.R. part 135, which implement section 3. **F.** Noncompliance with HUD's regulations in 24 C.F.R. part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

**G.** With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. The Federal Funding Accountability and Transparency Act of 2006 (FFATA), as amended, was signed with the intent of reducing wasteful government spending and providing citizens with the ability to hold the government accountable for spending decisions. 2 C.F.R. § Part 170 outlines the requirements of recipients' in reporting information on subawards and executive total compensation under FFATA legislation. Any non-Federal entity

that receives or administers Federal financial assistance in the form of: grants, loans, loan guarantees, subsidies, insurance, food commodities, direct appropriations, assessed and voluntary contributions; and/or other financial assistance transactions that authorize the non-Federal entities' expenditure of Federal fund, is subject to these requirements.

Prime contract awardees and prime grant awardees are required to report against subcontracts and subgrants awarded in the FFATA Subaward Reporting System (FSRS), the reporting tool for Federal prime awardees. This information reported will then be displayed on a public and searchable website: [www.USASpending.gov](http://www.USASpending.gov).

33. Procurement

The Uniform Guidance procurement requirements (2 C.F.R. § Part 200, Subpart D) went into effect on July 1, 2018. These requirements are applicable to CDBG-DR funded projects, or as provided by 83 Federal Register 5844 VI A(1)(b)(2) permits a state grantee to elect to follow its own procurement policy. These policies and procedures ensure that Federal dollars are spent fairly and encourage open competition at the best level of service and price.

34. Change Orders to Contracts

Change orders are issued when the initial agreed upon pricing or work to be completed requires modification. First, the contractor must complete a Change Order Request Form. This form and supporting documentation must be delivered to the Project Manager for review. Each change order must have a cost analysis. Once the Project Manager approves the change order, it is returned to the contractor for execution. Change orders are only invoiced on the final draw and categorized as "change order." The amount listed on the invoice must match the previously approved amount and must be cost reasonable. The Project Manager is responsible for verifying cost reasonableness. Verification documentation for cost reasonableness becomes an attachment to the change order.

35. Environmental Review

Every project undertaken with Federal funds, and all activities related to that project, is subject to the provisions of the National Environmental Policy Act of 1969 (NEPA), as well as to the HUD environmental review regulations at 24 C.F.R. § Part 58- ENVIRONMENTAL REVIEW PROCEDURES FOR ENTITIES ASSUMING HUD ENVIRONMENTAL RESPONSIBILITIES. The primary purpose of this Act is to protect and enhance the quality of our natural environment. The HUD environmental review process must be completed before any Federal funds can be accessed for program-eligible activities.

The primary objectives of the HUD environmental review are to identify specific environmental factors that may be encountered at potential project sites, and to develop procedures to ensure compliance with regulations pertaining to these factors. The HUD environmental review is designed to produce program specific environmental review procedures in a program that can vary greatly in terms of scope of work.

36. Lead Based Paint

All housing units assisted using CDBG-DR funds must comply with the regulations regarding lead-based paint found at 24 C.F.R. § Part 35- LEAD-BASED PAINT POISONING PREVENTION IN CERTAIN RESIDENTIAL STRUCTURES.

37. Environmental Review Record

The Environmental Officer is responsible for maintaining a written record of the environmental review process. The ERR for all programs contains all the governmental review documents, public notices and written determinations or environmental findings required by 24 C.F.R. § Part 58- ENVIRONMENTAL REVIEW PROCEDURES FOR ENTITIES ASSUMING HUD ENVIRONMENTAL RESPONSIBILITIES as evidence of review, decision making and actions pertaining to a project of a recipient.

38. Flood Insurance Requirements

Grantees and subrecipients of Federal funding must ensure that procedures and mechanisms are put into place to monitor compliance with all flood insurance requirements as found in the Flood Disaster Protection Act of 1973, 24 C.F.R. § 570.605- NATIONAL FLOOD INSURANCE PROGRAM and 24 C.F.R. § 570.202- ELIGIBLE REHABILITATION AND PRESERVATION ACTIVITIES.

39. Duplication of Benefits

CDBG-DR funding intends to address the unmet needs of a community. The funds are supplemental to primary forms of assistance, including private insurance and FEMA funds. To avoid duplicative assistance and potential de-obligation of funding, Subrecipient must utilize all possible funding sources before applying CDBG-DR dollars to a project. CDBG-DR programs are typically implemented after temporary disaster assistance programs, such as FEMA Individual Assistance which are not intended to make someone whole.

The Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), as amended, 42 U.S.C. §5121 et seq., established the requirements for Duplication of Benefits (DOB) analysis.

40. Anti-Fraud, Waste and Abuse Checks

The Anti-Fraud, Waste and Abuse (AFWA) check is designed to identify discrepancies and risk-relevant issues in Applicant-provided information that may be indicative of fraud, waste, and/or abuse.

41. Affirmatively Furthering Fair Housing

The Fair Housing Act of 1968, as amended, 42 U.S.C. §3601, et seq., dictates that grantees are required to administer all programs and activities related to housing and urban development in a manner to affirmatively further the policies of the Fair Housing Act. Per the regulations of 24 C.F.R. § 570.601 and in accordance with Section 104(b)(2) of the Housing and Community Development Act of 1974, as amended, 42 U.S.C. §5301 et seq., for each community receiving a grant under Subpart D of this part, the certification that the grantee will affirmatively further fair housing shall specifically require the grantee to take meaningful actions to further the goals identified in the grantee's Assessment of Fair Housing (AFH) plan, conducted in accordance with the requirements of 24 C.F.R. § §§5.150-5.180 (Affirmatively Furthering Fair Housing) and take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

Any grantee found in violation of the requirements of this act may be subject to suspension of payments under the grant, suspension or termination of the grant or suspension or debarment of the grantee.

43. Timely Distribution of Funds

The Supplemental Appropriations for Disaster Relief Requirements, 2017 (Pub. L. 115-56), approved September 8, 2017 (Appropriations Act), as amended, requires that funds provided under the Act be expended within two (2) years of the date that HUD obligates funds to a grantee unless otherwise authorized via waiver of this requirement by the Office of Management and Budget (OMB). The OMB waived the two (2) year expenditure requirement under 83 FR 40314; however, the provision to expend one hundred percent (100%) of the total allocation of CDBG-DR funds on eligible activities within six (6) years of HUD's initial obligation of funds remains in effect. The six (6) year expenditure period commences with the initial obligation of funds provided under 83 FR 5844. Additionally, per 83 FR 5844, the provisions at 24 C.F.R. § 570.494 and 24 C.F.R. § 570.902, regarding timely distribution and expenditure of funds, are waived and an alternative requirement was established.

Furthermore, consistent with 31 U.S.C §1555 and OMB Circular No. A-11 (2017), if the Secretary of HUD or the President of the United States determines that the purposes for which the appropriation was made have been carried out and no disbursement has been made against the appropriation for two (2) consecutive fiscal years, any remaining unobligated balance shall be canceled and will be made unavailable for obligation or expenditure for any purpose.

44. Property Management and Distribution

Regulations governing property management and distribution of real property, equipment, financial obligations and return of un-obligated cash post program closeout can be found in 24 C.F.R. § 570.506, 2 C.F.R. § 200.310, 2 C.F.R. § 200.343 and 2 C.F.R. § 200.344(b). The standards of 24 C.F.R. § 570.506 apply to any real property under a CDBG award recipient's control acquired in whole or in part with CDBG funds in excess of \$25,000.00. The recipient may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it either meets one of the national objectives as defined in 24 C.F.R. § 570.208 or if not, the recipient may either retain or dispose of the property for the changed use if the recipient's CDBG program is reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property. Following such reimbursement, the property will no longer be subject to any CDBG requirements.

45. Limited English Proficiency

Executive Order No. 13166, signed on August 11, 2000, requires programs, subrecipients, contractors, subcontractors, and/or developers funded in whole or in part with CDBG-DR financial assistance to ensure fair and meaningful access to programs and services for families and individuals with Limited English Proficiency (LEP) and/or deaf/hard of hearing. Fair access is ensured through the implementation of a Language Assistance Plan (LAP), which includes non-English-based outreach, translation services of vital documents, free language assistance services, and staff training. Vital documents are defined as depending on the importance of the program, information, encounter, or service involved, and the consequence to the LEP person if the information in question is not provided accurately or in a timely manner.

46. Personally Identifiable Information

In accordance with 2 C.F.R. § 200.303, regarding internal controls of a non-Federal entity, a grantee must guarantee the protection of all Personally Identifiable Information (PII) obtained. The program will enact necessary measures

to ensure PII of all applicants is safeguarded as to avoid release of private information. If a contractor or employee should experience any loss or potential loss of PII, the program shall be notified immediately of the breach or potential breach.

47. Uniform Relocation Act

CDBG-DR funds are subject to the Uniform Relocation Assistance and Real Property Acquisition Act of 1970 (URA or Uniform Act), as amended. 49 C.F.R. § Part 24 requires relocation assistance for lower-income individuals displaced as a result of the demolition or conversion of a lower-income dwelling and requires one-for-one replacement of lower-income units demolished or converted to other uses.

48. Residential anti-displacement and relocation assistance plan. Per Section 104(d) of the Housing and Community Development Act of 1974 § 42.325

(2) A unit of general local government receiving funds from the State must certify to the State that it has in effect and is following a residential anti-displacement and relocation assistance plan, and that it will minimize displacement of persons as a result of assisted activities. The State may require the unit of general local government to follow the State's plan or permit it to develop its own plan. A unit of general local government that develops its own plan must adopt the plan and make it public.

(b) Plan contents.

- (1) The plan shall indicate the steps that will be taken consistent with other goals and objectives of the program, as provided in parts 92 and 570 of this title, to minimize the displacement of families and individuals from their homes and neighborhoods as a result of any assisted activities.
- (2) The plan shall provide for relocation assistance in accordance with § 42.350.
- (3) The plan shall provide one-for-one replacement units to the extent required by § 42.375.

49. Complaints and Appeals

Citizen comments on VIHFA's published Action Plan, any substantial amendments to the Action Plan, performance reports and/or other issues related to the general administration of CDBG-DR funds are welcomed throughout the duration of the grant. The Citizen Participation Plan is posted as a stand-alone document at [www.vihfa.gov](http://www.vihfa.gov). Complaints regarding fraud, waste, or abuse of government funds shall be addressed to the HUD Office of Inspector General Fraud Hotline by phone: 1-800-347-3735 or email: [hotline@hudoig.gov](mailto:hotline@hudoig.gov).

50. Monitoring

As per CDBG regulation, 24 C.F.R. § 570.501(b), grantees of CDBG-DR funds are responsible for carrying out their programs to meet compliance with CDBG Program, statutory and regulatory requirements, including monitoring their project administrators, contractors and subcontractors. As such, throughout the application, planning, design, and implementation phase of the program, VIHFA will conduct internal monitoring of processes, procedures, policy, applications, planning, design, construction, and other applicable phases.
