PUBLIC NOTICE
2018 HUD CONTINUUM OF CARE GRANT APPLICATION
(Funding Opportunity Number: FR-6200-N-25)

This notice is posted pursuant to the Notice of Funding Availability (NOFA) for the Fiscal Year (FY 2018) Continuum of Care Grant Program Competition.

Each year, the U.S. Department of Housing and Urban Development (HUD) issues funding opportunities under the Continuum of Care Grant Program. The Continuum of Care Grant Program is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by non-profit providers, state, and local governments to quickly re-house homeless individuals, families, persons fleeing domestic violence, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effect utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness.

The local Continuum of Care (VI- CoC) is required by HUD to submit a consolidated application for funding for renewal and/or new homeless services projects seeking funding under the CoC Grant. This posting provides notice of the FY 2018 Consolidated Application and the listing of the project applications that are included thereunder.
