DATE	February 21, 2019

The Virgin Islands Housing Finance Authority (VIHFA) will begin renovation of the Savan Community Playground in March of 2019. The contractor of the Savan Playground is ABC Concepts, Inc. Construction is expected to be completed by July 31, 2019.

The improvements are intended to transform the park into an outstanding recreational space that community residents of all ages will be able to enjoy. Amenities will include a walking trail, adult exercise stations, a tot-lot, and barbecue grills. The existing basketball court will be refurbished, and modern bleachers will be installed. The project is being funded by Community Development Block Grant funds and also an allocation of local funds.

Upon completion, the playground and park will serve the Savan community and the students of the Jane E. Tuitt Elementary School. The Authority apologizes for the inconvenience this may cause, and would like to thank the public for their patience while the playground/park is being renovated.
